Premium Full Placement Job Opportunities

Have an Alaskan Adventure!

This is an exciting opportunity for students willing to work hard, and get paid significantly more money than normal jobs. Students will work in a fish processing company receiving, processing, packing and freezing Salmon. Housing is provided free of charge on location at the coast of rural Alaska. Students will most likely put in a lot of overtime. **At the end of the fishing season, students should be able to work through the end of summer at other companies.**

Position: Salmon Processor. Clean, process and pack fresh fish for shipment.

Salary: \$7.15/hr

Minimum hours: 0-100 hr/wk

Available Dates of Employment: June 13 – July 25. Second job follows directly thereafter

Housing: Dorm style, 2 per room. Housing and food provided for free by company. Housing in second job TBA.

Nearest International Airport: Dillingham Airport Alaska

Number of Positions Available:

75

PREMIUM ADVANTAGES

- ✓ Students have the opportunity to work as much as 60 hours/week overtime.
- ✓ Students have lower living expenses, e.g. room, board and even rain gear is often provided for free or at very low cost by host the company.
- ✓ Employer will assist all student workers, who complete their contract in good standing to find a second job at a nearby fishery (or elsewhere if they are no longer interested in fishery work).
